

GEVINDU CHAMATH PIYAWANSHA

Address: Grannes Terrasse 51, 4044 Stavanger, Norway

Email: gevindu.piyawansha@gmail.com

LinkedIn: <https://www.linkedin.com/in/gevindu-piyawansha/>

Phone: 99875112

Portfolio: <https://gevindudevportfolio.netlify.app/>

Gender: Male

Date of birth: 03/05/1994

Nationality: Sri Lankan

ABOUT ME

I'm a full stack developer with practical experience in Java, C#, and MERN stack. My background in civil engineering strengthened my skills in structure, problem-solving, and teamwork through managing complex projects in Sri Lanka and Latvia. I enjoy working on practical projects where I can keep learning and help make processes smarter and more efficient.

Programming & Frameworks: Java SE/EE, C#, .NET, JavaScript (ES6+), Node.js, React, Express.js, HTML, CSS, Tailwind, REST APIs

Databases: MongoDB, MySQL, PostgreSQL

Tools & Platforms: Git, GitHub, VS Code, IntelliJ IDEA, Visual Studio, Postman, Figma, Netlify, Render

Concepts & Practices: OOP, MVC, CRUD, API Integration, Responsive Design, Agile Development, Unit Testing, CI/CD (basic)

PROJECTS

Auto Wheel | Automotive Marketplace Platform | TypeScript, React, REST API, Database Management

[Live](#) | [GitHub](#)

Created a car marketplace for Sri Lankan importers. Implemented listing management, search and filtering, user roles, and a responsive interface

Construction Project Manager | Project Management Platform | TypeScript, React, Node.js, Express.js

[Live](#) | [GitHub](#)

Developing a platform for project tracking, resource planning, and reporting with Gantt visualization. Applied practical construction knowledge to design efficient workflows and modular architecture.

International Students Latvia | Full-Stack Marketplace Platform | C# .NET 8 Web API, React,

TypeScript, Firebase, Tailwind CSS

[GitHub](#)

Built a marketplace for international students to find housing, cars, and other services. Developed REST APIs, user authentication, and real-time messaging. Designed a responsive UI and scalable architecture.

Portfolio Website | React, JavaScript, Tailwind CSS, Vite, EmailJS

[Live](#) | [GitHub](#)

Built a responsive portfolio website with interactive features, EmailJS contact form, React Router navigation, and deployed via Netlify.

WORK EXPERIENCE

Jun 2025 – Present

Full-Stack Developer (Self-Initiated) | Stavanger, Norway

- Designing and implementing modern, high-quality applications with React, TypeScript, Spring Boot, and .NET 8

Jun 2025 – Present

Crew Member | McDonald's & Egon, Stavanger, Norway

- Ensuring efficiency and quality under high-pressure environments while improving Norwegian communication skills

Jun 2024 – Nov 2024

Intern | Dream Property Management, Riga, Latvia

- Conducted building inspections, material evaluations, and data management using digital tools

May 2021 – Dec 2022	Site Civil Engineer Homelands Construction (Pvt) Ltd, Sri Lanka Project - Canterbury Residencies (1.4 B LKR (~4.1M EUR, ~48M NOK)), Piliyandala, Sri Lanka <ul style="list-style-type: none"> ○ Strengthened analytical and problem-solving skills valuable in software development.
---------------------	--

EDUCATION

Mar 2023 – Jun 2025	Riga Technical University, Latvia Master of Science - Civil Construction and Real Estate Management Final GPA: 8.46/10
Nov 2024 – Jun 2025	Institute of Software Engineering (IJSE), Sri Lanka Diploma - Comprehensive Master Java Developer Software engineering practices with foundations in Java, OOP, design patterns (MVC, Singleton, DAO, etc.), and programming aligned with industry standards.
Mar 2025 – May 2025	Riga Technical University, Latvia & University of Pardubice, Czech Republic Sustainable Mobility Program (Erasmus+ Scholarship) Gained experience in sustainable transport and European best practices for environmental, social, and economic mobility.

COURSES

Oct 2025 – Present	MERN Industrial Expert Masterclass IDET - Institute of Digital Engineering Technology, Sri Lanka 100 hours <ul style="list-style-type: none"> - Developing and deploying full-stack web applications using the MERN stack (MongoDB, Express.js, React, Node.js) with modern, industry-standard practices.
Sept 2025 – Present	DevOps / TechOps (Infrastructure-Operations) Industrial Expert Masterclass IDET - Institute of Digital Engineering Technology, Sri Lanka 30 hours <ul style="list-style-type: none"> - Managing Linux infrastructure, automating workflows with DevOps tools(Jenkins, Ansible, etc.), and deploying containerized applications using Docker and Kubernetes
Aug 2025 – Sept 2025	Introduction to Programming with C# Microsoft 30 hours <ul style="list-style-type: none"> - Gained practical experience in C#, .NET Framework, using Microsoft Visual Studio, debugging, and applying programming concepts to build efficient, structured code.

OTHER

Leadership skills	* Batch Representative 2020 – 2021, Department of Civil Engineering, University of East London * Student Coordinator 2019 – 2020, Institute of Technology, University of Moratuwa
Certifications	* Associate Member, Institution of Incorporated Engineers Sri Lanka (IIESL) - AM 6355 * Registered Member, Engineering Council of Sri Lanka (ECSL) - 501812
Volunteering	* "ATHWELA" Charity Project 2017 - Organizing committee member Educational support program for Ordinary Level students organized by University of Moratuwa * "ASANI" Fundraising Initiative 2018 - Organizing committee member Cancer hospital donation program for Maharagama APEKSHA Hospital
Languages	* English - Fluent (Professional working proficiency) * Norwegian - Basic (Currently enrolled in Norwegian course at University of Stavanger)
Hobbies and interests	* Travelling, Board Games, Swimming
